Name on Card:

Card #:

CVV (Security Code):

Expiration Date:

For security, you may also call Randy and give him your Credit Card on the phone: 530-524-4491

NOTES: Rooms are double occupancy. If you would like to sign-up with a partner/spouse/friend, let us know who to pair you with. If you would like us to assign a roommate for you, give us some parameters. There are downstairs rooms in the lodge and has a queen bed and bunk beds. If you need a downstairs room, we need to know. First to sign-up for a room gets first choice on which bed in the room.

Meals are locally sourced fruits and vegetables, and all meals are made from scratch. Canby Retreat Center prides themselves on awesome food. Every meal has gluten free, vegetarian, and vegan options.

The Center is located about 30 minutes south of Portland International Airport. An Uber ride is roughly \$20. If you are flying in and give us your arrival times, we are happy to help you coordinate with other attendees flying in at the same time so you might share an Uber ride.

FLUTE MAKERS: Sign up for the workshop and bring your wares with you. There will be tables set up around the big group room for flute makers' displays. Participants can peruse, ogle, try out and buy. We need to know if you going to utilize a table so we can set-up accordingly.
